## Netherhall School – Physical Education Department

This is an exciting time to join Netherhall School, rated Good by Ofsted for the first time in February 2018, named Cumbrian Secondary School of the Year, host to Cumbrian Secondary School Teacher of the Year and Cumbrian Secondary School Student of the Year, with a sixth form that has recently doubled in size and a rapidly increasing number of students on roll. Sport is a real strength of the school.

***'Staff and pupils say, without question, the Headteacher has been an inspiration, giving them belief that all can achieve. Throughout his tenure, the Headteacher has demonstrated passion, integrity and highly skilled leadership. This school has been transformed in a remarkably short period of time.' Ofsted, February 2018.***

The physical education department is an experienced and growing department of enthusiastic specialist PE teachers, which includes a significant contribution from other school staff to extracurricular sport. PE is an extremely popular option choice in Key Stages 4 and 5, with superb BTEC and Level 3 results, while also having very good school to local club links.

***'Pupils are enthusiastic about learning and teachers are enthusiastic about teaching. Pupils love coming to school.' 'Pupils have considerable respect for their teachers because they believe their teachers are doing a great job.' Ofsted, February 2018.***

Facilities provision for physical education are excellent: four floodlit, recently re-surfaced tennis courts, a floodlit 3G astro-turf, excellent and well-maintained sports fields, a synthetic cricket wicket, two floodlit netball courts, a sports hall, gymnasium and the school is the home to a very well-equipped and thriving community sports centre.

***'Relationships throughout the school are excellent. There is great mutual respect between adults and pupils.' Ofsted, February 2018.***

At present, there are football, rugby, tennis, netball and athletics teams for all age groups. The school currently holds a number of county cups in a range of different sports, at different age ranges.

***'Students are very proud of their school.' Ofsted, February 2018.***

It is our full intention to continue to build the ethos and profile of PE and sport in the school, to enhance the physical education curriculum offer for students to include GCSE and A Level PE, with the aim to make the subject an integral part of every students' school experience. If you think you can help us do this, please apply.

This role would suit a newly qualified or recently qualified teacher.

The school is located on the fringe of the Lake District National Park; a great place to live and work.

Netherhall Road, Maryport, Cumbria, CA15 6NT
