

Netherhall School

An Ambitious, Caring Community

Dear students, parents / carers,

Please see below a letter from the local authority:

As you know COVID-19 infection rates are rising and this is impacting schools. This week we have been in discussion with secondary schools about the county's response.

Now, working with NHS Test and Trace, PHE and the DHSC it has been agreed that 'surge testing' will be implemented, targeting those between the ages of 12 and 30.

This means that everyone in this age group will be strongly encouraged to get a PCR test, whether they have symptoms or not.

For all others in the age group, testing will be available from 19 June at all of the county's current test sites from 8am to 8pm and there is no need to book, simply walk-in. Full details at www.cumbria.gov.uk/stopthespread.

If people cannot attend a test site they can get a test kit delivered to their home by accessing <https://www.gov.uk/get-coronavirus-test>. Choose the 'I have been advised to get a test by local Public Health officials' option.
