26th May 2021

Dear Student / Parent / Carer

I am writing to you today to let you know that our Virtual Tour of Netherhall School has now been finalised and I am sending you the link so that you can all enjoy the tour ahead of our open day and evening later in the summer term, on Wednesday 7th July. I hope you all enjoy the tour and agree how fantastic the school is looking following its recent refurbishment!

I am also writing to you today to thank you for completing the two online forms I forwarded on the 14th May so promptly. Over two thirds of parents have already completed the information we requested and I am attaching the links again so that any parents and carers who have not yet completed the forms are able to do so. It would be hugely appreciated if all parents and carers could ensure the following two online forms are completed over the next week by following the links below to complete:

1) The 'Netherhall School Permissions Pack' and 2) Our 'Year 6 Data Collection' forms.

- 1) Link to ['Netherhall School Permissions Pack'](#)
- 2) Link to ['Year 6 Data Collection'](#)
- 3) I would also like to request that all parents with children who have any medical needs, including asthma, contact Mrs Beverly Johnstone directly at b.johnstone@netherhall.cumbria.sch.uk to confirm your child's specific requirements and to ensure all of our health care plans are in place for September.

As I mentioned in my previous letters to you, it is our full intention to hold a normal and in-person visit to your child's primary school in June, when the easing of government restrictions will allow this. It is also our full intention to hold an in-person transition day to Netherhall School for your child on Wednesday, 7th July, while we will also host a full open evening for parents on the same evening of your son or daughter's transition day between 4-7pm, so that you are able to meet your child's future form teacher and have a full tour of the school. I will provide you with a full outline of our plans for the transition day and evening on the 7th July in the coming weeks, when we are sure that the intended open day and evening can take place.
