

# Netherhall School

*An Ambitious, Caring Community*

## Values and Ethos

This is a welcoming, friendly and vibrant school, where staff and students are treated with care and respect. I believe the school's values and ethos are indicative of the Cumbrian spirit and represent the best of Maryport and West Cumbria.

Achievement and success are built on positive relationships. The result is happy, confident learners who are inspired and surpassing their expectations.

I am certain your son / daughter will do well throughout their next five or seven years at Netherhall School. My aim is to make school an enjoyable and productive experience for every student, for school to be a place where each young person looks forward to the possibilities of each day with energy and enthusiasm.

### Aims

The school's aims are to support the development of healthy, confident, capable and happy young people, who are supportive and tolerant of each other. We are a school that builds understanding, recognises individuality and embraces its collective responsibility. To provide relevant and meaningful experiences, which nurture individual aspirations, whether it is an Oxbridge education, public service, artistic endeavour, industrial, cultural or sporting excellence. We are a school that actively encourages involvement and participation, with the intention of preparing our young people for the challenges of the 21st Century.

### Principles:

The five principles that guide Netherhall School are:

- 1. Students first: every decision is founded on the best interests of the students.**
- 2. Aspiration: to be fiercely ambitious for all students.**
- 3. Quality: to provide the highest quality education possible.**
- 4. Opportunity: to provide enjoyable and relevant opportunities.**
- 5. Community: to be an active part of the local community.**
